

AQD'S FOCUS ON THE DEPARTMENT OF THE INTERIOR

About The Acquisition Services Directorate

The Acquisition Services Directorate (AQD), a line of business within the US Department of the Interior's National Business Center (NBC), provides a full spectrum of acquisition services to all Federal agencies. We help managers in every agency fulfill their missions by providing expert, compliant procurement solutions.

AQD has an outstanding track record of utilizing efficient business practices to ensure excellent service while delivering cost-effective contracts. We'll handle the complete acquisition lifecycle with experienced contracting officers, innovative technology, and value-added benefits.

Our Knowledge and Expertise

During the entire project, you have the support of a highly skilled team of acquisition professionals who understand the complexities of the procurement regulations. We manage the whole process – from planning, soliciting and evaluating offers, to awarding and administering contracts, through closeout. Our Contracting Officers use all available options, including GSA Schedules, GWACs and IDIQs to fulfill customer requirements.

AQD is proud to be a part of the US Department of the Interior and supports the agency's mission and goals by being a leader in green procurement. We will assist you with your acquisition planning, working together with you throughout the procurement process. Our ability to work in partnership with all of the bureaus in DOI to acquire the products and services you need is an example of successful collaboration.

Your Success

You benefit from our dedication to transforming the government procurement process. The expertise of our team and the quality results we bring to our clients will give you peace of mind and ensure success.

As a Federal acquisition shared services provider, focusing on the details is what the Acquisition Services Directorate does best, so you can concentrate on meeting mission requirements on time, every time.
